

## **Kim's Bulky Yarn Two-Needle Chemo Cap** (for lack of a better title)

Size 11 needles, Serenity Chunky Weight yarn or other similar bulky weight yarn; small amount of worsted yarn, button, and size J crochet hook for flower; yarn sewing needle.

Gauge: 3 stitches and 4 rows to the inch in stockinette stitch

Cast on 63 stitches.

Rows 1-9 - work in seed stitch, \*k1, p1\* across.

Rows 10-21 - stockinette stitch (knit one row, purl one row)

Begin decreases:

Row 22: \*knit 7, knit 2 together\*, repeat across

Row 23: purl

Row 24: \*knit 6, knit 2 together\*, repeat across

Row 25: purl

Row 26: \*knit 5, knit 2 together\*, repeat across

Row 27: purl

Row 28: \*knit 4, knit 2 together\*, repeat across

Row 29: purl

Row 30: \*knit 3, knit 2 together\*, repeat across

Row 31: purl

Row 32: \*knit 2, knit 2 together\*, repeat across

Row 33: purl

Row 34: \*knit 1, knit 2 together\*, repeat across

Row 35: purl

Row 36: \*knit 2 together\*, repeat across

You should end up with 7 stitches. Break off your yarn, leaving a long tail for sewing. Thread the yarn through the remaining stitches and pull up tightly. Sew the seam and weave in ends.

And of course, if you prefer knitting in the round without a seam, just switch the purl rows to knit rows. You'll also need to \*p1, k1\* on the even rows on the seed stitch portion to make it come out right (knit the purls, purl the knits).

Remember - if you substitute yarn, please check the rows per inch to make sure you don't need to make adjustments!

It appears as though the pattern I used for this flower has been taken down; but there are so many others out there, just look around and pick the one you like!
